Woodcraft

Tutto il calore del legno invecchiato
per trasmettere l'INTENSO
FASCINO del familiare e del vissuto.

Le particolari venature,
le sfumature marcate e la
stonalizzazione accentuata, rende
questa linea Originale ed Esclusiva
con un curioso pizzico di sapore
VINTAGE.

All the warmth of aged wood
to transmit the INTENSE
CHARM of the family and the lived.

The particular veins,
the marked shades and the
emphatic tone variation, make
this line Original and Exclusive
with a curious pinch of VINTAGE taste.
