

# LA MARMOTECA

Gardenia Orchidea, con la stessa passione per la ricerca di un collezionista, ha selezionato e raccolto all'interno de LA MARMOTECA ben 16 differenti soggetti ispirati ai marmi, riprodotti in grande formato per trasferire su pareti e pavimenti le trame meravigliose che la natura ha creato nei millenni, con il contributo delle più avanzate tecnologie ceramiche. Un progetto ambizioso ed unico nel suo genere, che grazie alle diverse dimensioni, spessori e finiture di superficie disponibili, è in grado di proporre l'eleganza contemporanea del marmo in tutti i contesti progettuali indoor, sia residenziali che commerciali.

With the passion for research of a collector, Gardenia Orchidea has selected 16 different marble-inspired subjects for LA MARMOTECA, reproduced on large tiles to give walls and floors the incredible textures nature has created over thousands of years, enhanced by cutting-edge ceramic technologies. Thanks to the different sizes, thicknesses and surface finishes available, this unique, ambitious project is able to bring the contemporary elegance of marble into all indoor settings, both residential and commercial.
