ELEVATED AND EXCITABLE

THE INSIDE LOOK (Mania)

The infinite intramural beauty is always stunning. Everybody dazzles the extraneous appearance, but we keep pace towards mesmerizing the grandeur of within.

It's the reflection of the depth and purity of elegance. Now every emotion can be expressed and you can see the essence of the divine sparkle of this glorious world of soul.

Dwell into the shadows of authenticity, simplicity, and magnificence. It gives you a sense of confidence, making bold and beautiful statements alongside. The unmatched ambience of optimism, revitalization, glam and poise comes just as a supplementary. An emotion of warmth, happiness and connectivity embedded together.

Osculate the feel of royalty and majesty. Achieve the innate charm from right where you are.

THE NEW FRONTIERS OF CERAMIC TILE FROM (India).

WE MAKE TILES THAT MAKE A DIFFERENCE IN A SPACE.

Geo Gres was founded in 2006. We manufacture products which are powered by next generation technology.

High quality material combined with unrivaled technology has enabled us to re-interpret some of the rarest, most refined and valuable products of nature, while also enhancing their technical and qualitative properties.

Our products suit indoor and outdoor spaces no matter what you have in mind. They stand out and dazzle you because each of our tiles are inspired by the latest trends in the worlds of interior.

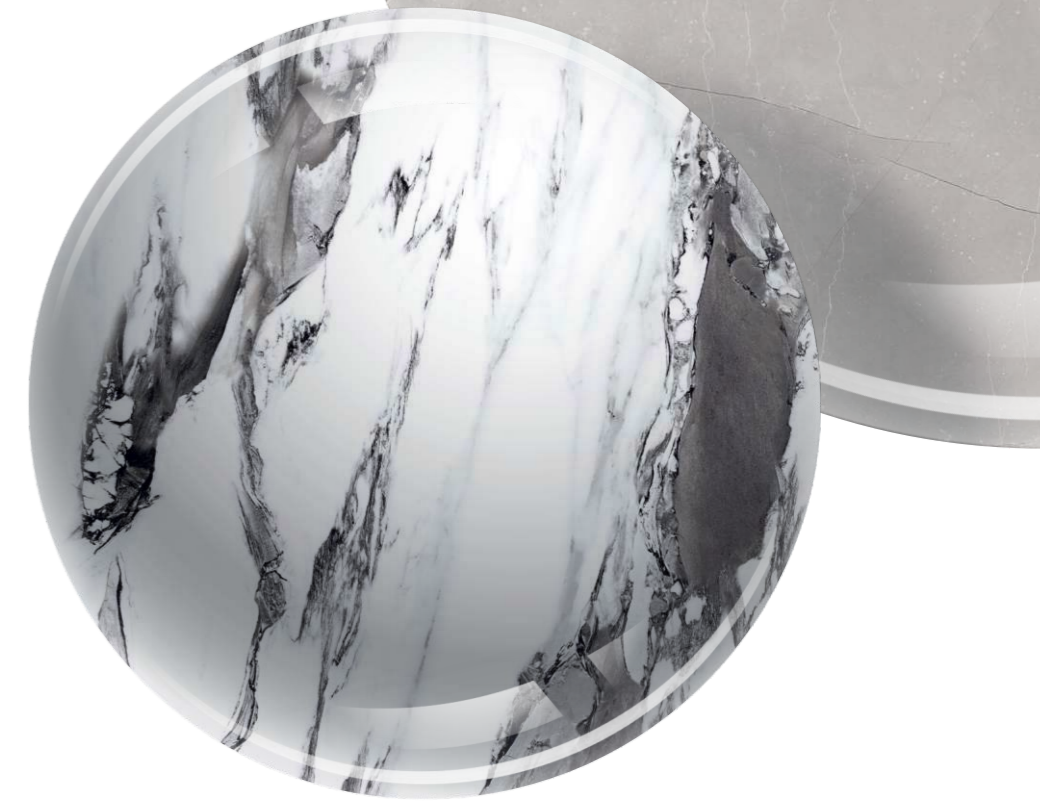

WE ARE DESIGN (Scientists).

WE CREATE
DESIGNS
YOU SIMPLY
WON'T FIND
ANYWHERE
ELSE.

As design scientists, we spend endless hours in the lab playing with different color, pattern and texture. It's one of our core strengths and something we're very proud of.

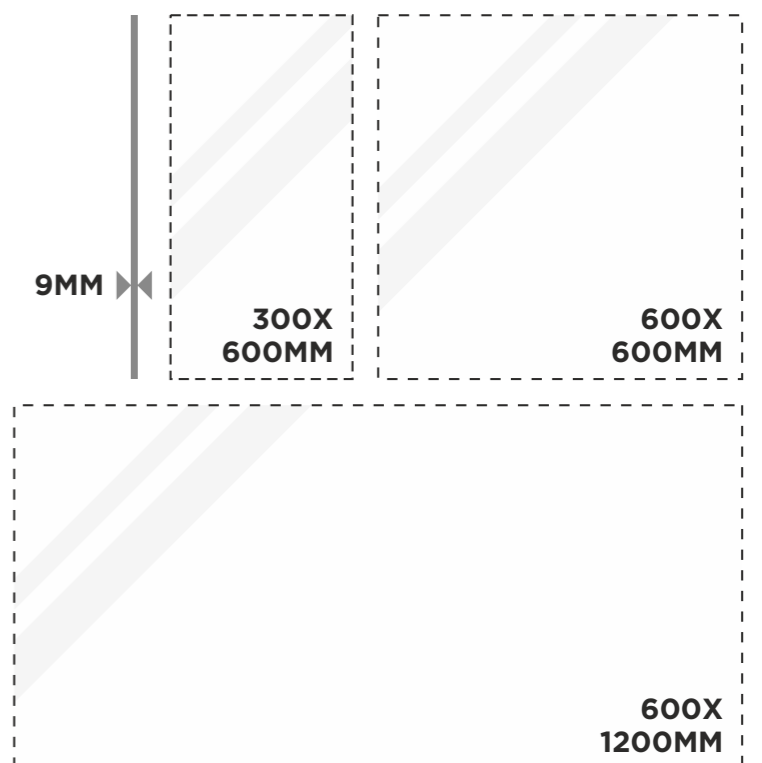

Our designs are renowned for their depth and finish- which is why interior designers and architect agency choose us for their projects.

SOLUTION TO ALL YOUR DESIGN NEEDS.

Geo Gres offers a complete solution for porcelain floors and walls that consist of excellent technical performance and unique aesthetic appeal.

The variety and complete range of Geo Gres porcelain meets your needs of contemporary planning for indoor and outdoor design solution.

INFRASTRUCTURE & TECHNOLOGY (Area & Size)
