

RIAD

RIAD is a collection inspired by the warm hospitality and local colour of Moroccan riad hotels. This particular model comes in a 16,2x18,5 hexagonal format in a wide choice of colours, with nine different models in a combination of different shades for creating tiled surfaces of unique beauty.

Its slightly uneven surface recreates the artisanal appeal of hand-kneaded clay. The tiles can be combined with any of RIAD's 10x10 and 6.5x20 models.

La colección RIAD, inspirada en la hospitalidad y el marcado color local de los alojamientos típicos marroquíes, se presenta en esta ocasión, en un formato hexagonal 16,2x18,5 con una amplia variedad de colores, donde podemos encontrar hasta 9 referencias diferentes, todas ellas con distintas tonalidades que ofrecen una belleza singular al conjunto.

Su relieve ofrece cierta irregularidad recreando el barro amasado manualmente para ofrecer un aspecto más artesanal. Se puede combinar con cualquiera de las referencias de RIAD en formato 10x10 y 6,5x20.
