La creatività diventa stile e sublima nella materia ceramica le tonalità vibranti, intense come le emozioni, che dipingono il design contemporaneo. Hub propone elementi grafici originali, intreccia ispirazioni naturali e suggestioni visive eclettiche, attraverso segni puliti, talvolta asimmetrici. Naxos ha creato con Hub una collezione versatile che concentra i colori audaci del nostro tempo e il desiderio di unicità, capace di superare ogni moda e dettare nuove tendenze.

Creativity becomes style, transferring to the tile the vibrant colours of contemporary design with all their emotional intensity. Hub presents original graphical elements, combining natural inspirations and eclectic visual impressions in clean, sometimes asymmetrical patterns. With Hub, Naxos has created a versatile collection condensing the bold colours of our modern age and the desire for uniqueness, to move beyond the whims of fashion and create new trends.
